Anti-Bribery & Ethical Compliance Clause: The Safe-Tech Awards are conducted under strict principles of integrity, transparency, and merit-based evaluation. All nominations are independently reviewed and selected by a duly empanelled Jury based solely on the information and documents submitted by the nominee. Under no circumstances shall any nominee, representative, or third party offer or provide money, gifts, commissions, hospitality, or any form of inducement to any employee, associate, consultant, jury member, or representative of Kings Expomedia Ltd. or the Safe-Tech Awards organizing team in connection with the nomination, evaluation, or selection process. Any attempt to influence, solicit, or secure an award through bribery, inducement, or unethical means will lead to immediate disqualification, and the organizers reserve the right to reject or cancel the nomination without notice. The organizers shall not be liable for any payment, commitment, or arrangement made by nominees with unauthorized persons claiming to influence the awards process. Nominees are strongly advised to report any such approach immediately to the organizers.
